**Docket No. H 4898 PCT/US**

Where a translation has not been provided for a non-English document, the relevance is explained in this application and/or in the enclosed English language search report issued by the European Patent Office in the international stage of this application (PCT/JP99/00523). Applicants also enclose herewith an English translation of the International Preliminary Examination Report.

Any abstract obtained from a public database that is attached to any foreign patent document, or any US or PCT Patent listed next to a foreign patent document, is not intended to serve as a translation for the same, but is being submitted to provide the Examiner with patent family information.

This Statement does not represent that a search was made or that no better art exists and does not constitute an admission that the listed documents are material or constitute prior art. Therefore applicants reserve the right to present to the Examiner the relevant facts and law regarding the status of each listed document. Applicants further reserve the right to take appropriate action to establish patentability of the claimed invention over the listed documents, should one or more of them be applied against the claims.
